THIS COLLECTION IS CURATED
OF EXPRESS THE UNPARALLELED ARCHITECTURAL VISION BY
ALLOWING DESIGN FREEDOM THROUGH IT'S CONTEMPORAY AND CLASSY CHARM.

The wood collection is a phenomenal amalgamation of attractive designs that translates
the beauty of the elements of nature into its full glory through mesmerising shades,
surface and textures.

wood.
feels most alive

We are always concerned about our family getting injured from slipping on wet and algae-ridden floors. At Imlis, we have created a special kind of wood finish that has anti-slip and anti-algae properties, which will protect your family from slipping on wet areas! We are delighted to introduce the 'Protect wood surface, developed primarily to save senior citizens from falling and getting injured due to wet floors and algae build-ups.
